Term 5 Issue 3

Friday 10th May 2019

This Week at Wheatfield

Staff have been busy putting up a number of new displays around the school this week. It has been lovely to see so much of the children's work celebrated around the building. I hope that you are able to drop in and take a look at these displays during our Arts Week (see below for more details).

Phil Winterburn - Headteacher

Parent Survey 2019

We have just opened a survey to find out more about what parents think about Wheatfield Primary. You can access this online via the SurveyMonkey website.

The survey consists of ten questions with multiple-choice answers. There is also a space, beside most questions, to write a short comment if you wish. It should take no more than a few minutes to complete.

It is important for us to gain the views of families as we plan for our future. This survey is designed to gain a general view of how parents feel about the school and the service it offers.

The survey will remain open until midday on Monday 3rd June. Once it has closed, the school's Senior Leaders and Governors will look closely at the outcomes. We will also share our strengths and next steps as a result of the survey.

Follow the link below, to complete the survey:

<https://www.surveymonkey.com/r/CWW2KGT>

National Assessments

Year 6 pupils are taking their SATs (national assessments) next week. This is one of four statutory assessment points for children in English schools. The other assessments take place at the end of Reception, Year 1 and Year 2. For more information about this, please visit the following page on our website:

<http://www.wheatfieldprimary.com/our-learning/national-tests>

Arts Week

As you may be aware, we are holding an Arts Week the final week of this term (starting Monday 20th May). Each class will follow the theme of 'Celebration' to commemorate Wheatfield's 20th birthday. Throughout the week, children will be immersed in a range of artistic experiences through workshops and class activities. All children will also have the opportunity to contribute to a whole school project led by 'The Creation Station'.

Come and Celebrate our Work

Families are invited into classrooms on **Friday 24th May (8:45am - 9:10am)** to celebrate the children's learning with their own 'class gallery'.

Can you help? Materials and resources needed.

There are some items we need for our projects which you may have lying around at home. If you are able to donate any of these items, please hand them into the school office ...

Old shirts (for painting shirts) / nuts, bolts and washers / magazines / newspapers / wool / bottle tops of any size or colour / round plastic bottles of any size / shoe boxes / thick card.

We look forward to seeing you on the last day of term to show you all of our amazing learning.

Mrs Midlane (Art Leader)

A reminder that our RSE (relationship and sex education) workshop for families is running on Tuesday 21st May @ 6.00pm. This session will be run by a consultant from the Jigsaw group.

Sports Day Dates

We will be holding two sports days next term which families are invited to attend. Following the success of last year's events (which were led by the Shine Sports coaches) we will be following a similar format this year.

We thought you would appreciate having the dates in advance in case you wish to take time off to attend ...

Infant Sports Day – Tuesday 18th June

Junior Sports Day – Wednesday 19th June

Both events will run on a morning (roughly 9.00 – 12.00). We hope that lots of you can attend and lend your support. ☺

Family Running Club

Our family running club are having their first meeting tonight at 4.15pm in Little Stoke Park – please join us if you fancy a half hour jog before the weekend begins! We will meet again for the next two Fridays (17th and 24th May) at the same time and venue. The more the merrier!

Eid Party – Friday 7th June

As you will probably be aware, some of our families are currently observing Ramadan and will soon be celebrating the festival of Eid to mark the end of this period.

A group of families have generously offered to hold an Eid party on Friday 7th June at 3.30pm. They will be providing food and drinks and would invite all members of the school community to come and join them. If the weather is good then this will be in the main playground, if not then it will be in the small hall.

We hope that this will be a good chance to find out a little more about Ramadan and Eid from families and children within our own school community. We hope that many of you are able to come along.

Year 6 Breakfast Club – next week

Year 6 children will be able to attend a free breakfast club every day next week (in their classrooms) to help them settle into school ahead of their SATs. We hope your child can join us.

This Week's Awards

This term we are focusing on the value of 'responsibility'.

	Values	Achievosaur
RM	Tanush	Guna
1B	Isabelle	Sanvi
2M	Diti	Isiodos
3G	Harry	Jannat
