Inspired to Achieve

Choose Respect • Take Responsibility • Show Resilience • Be Kind

Term 5
Issue 2
26/04/24

This Week at Wheatfield – What a shame we haven't seen much of the sunshine and warmer weather yet! However, Grounds day on Saturday last week was a huge success and the sun *did* shine. It was great to see all of the children and families gathering together to improve the school grounds and of course, to finish with toasted marshmallows around the fire is always a treat for adults and children alike! Thank you to all of the volunteers for making the day such a good one! Have a lovely weekend! – **Mrs Carver**

This week's learning comes from Year 5 and Year 6

Year 5

Year 5 had an enriching experience on their recent trip to the local Tesco to explore Fairtrade products. The students were exceptionally well-behaved, showing great curiosity and engagement as they learned about the importance of ethical consumption and supporting sustainable practices. A big thank you goes out to our wonderful parent helpers who accompanied us on this educational outing, ensuring a smooth and enjoyable experience for all. Back at school, the learning continued with Mrs Boyes at the allotment. The students got their hands dirty planting seeds and had the opportunity to explore the various types of plants we are growing. It was a hands-on learning experience that allowed them to connect with nature and understand the importance of caring for our environment.

Year 6

This term, Year 6 have been exploring and investigating how light works. We have built on our prior learning in Year 3 and 5 and extended this by exploring how light travels- children enjoyed carrying out an experiment using torches where they observed light travelling in a straight line. Additionally, we have discovered how our eyes receive light and allow our brains to process sight. Did you know our retina receives images upside down? We finished the week by children designing their own shadow investigation with a particular focus on ensuring only one variable was changed so this was a fair test.

A polite reminder that trainers are not part of our school uniform. School shoes should be plain black. Trainers are fine to be worn on PE days (alongside our navy PE uniform). As the weather gets warmer it is fine for children to wear a plain coloured sandal as long as this provides adequate protection for their foot – no flip-flops. ☺

We Are a Nut Free School

A reminder that we are a nut free school. We have children and staff who suffer from severe nut allergies. Please do not send nuts or nut based

products (including peanut butter sandwiches) into school as part of your child's packed lunch.

☺ Thanks for your support.

School Values Award: Choose Respect – Take Responsibility – Show Resilience – Be Kind

This term's value is 'Respect'

Our award goes to ...		
RB	Arna	Charlie
1H	Josh	Uriel
2B	Sara	Adam
3BD	Lucas	Michelle
4S	Einar	Lucas
5M	Max	Oscar
6B	Bethany	Alexia

Our award goes to ...		
RM	Zoltan	Bilal
1J	Theodore	Oliver A
2G	Jackson M	Archie
3M	Rayyan	Jasmine
4T	Rayan	Luiz
5W	Milen	Connor
6R	Dex	Jack B

Dates for your diary

Term 5	
Saturday 20 th April	Grounds Day 10am – 1pm Come and help us to make our grounds even better!
