Dear Parents/Carers

Today the children have been informed who their class teacher will be for the next academic year. This information is detailed below. At the present time, we have one further appointment to make to add to our support staff team, so I am unable to give you details of the teaching assistants who will be working with your class yet. The teaching staff will be as follows:

	ROR – Mr O'Regan		RR – Miss Rice
ROR →	1B – Mrs Brown	RR →	1H – Mrs Harrex
1M/B →	2J – Mrs Johnston	1H →	2M – Mrs Marsden
2J →	3B – Miss Bowen	2M →	3M – Mrs Moon
3B →	4M – Miss Mills	3M →	4H – Mr Hancock
4M →	5M – Mr Marsh	4H →	5G – Miss Gregory
5M →	6G – Miss Garraway	5G →	6FW – Mr Finlay / Mr Woodworth

There are several transition activities planned for this term to help support your child move to their next class. Currently the children in YR and Y1, and the children in Y2 and Y3 are having 'swap' sessions on Friday afternoons. Transition week will take place during the week beginning 11 July 2016. During this week, all children will spend time with their new class teacher each morning for a series of activities in their 'new' classroom.

We have also brought forward our 'Meet the teacher' sessions and will be holding these this term as shown below. This gives you an early opportunity to put a face to a name, find out about where cloakrooms are, where children will be dismissed from at the end of the day, which staircase to use etc. We will also give you brief information about the topics which the children will be learning and the Power of Reading books we have chosen to use. We have chosen to have these meetings now, so that we can provide you with information as early as possible but also so that we can run curriculum workshops in September/October to give you more detail about the specific reading, writing and maths learning which each year group does, how we teach these subjects, and how you can support your child's learning at home.

We are all looking forward to starting a new academic year in September, however we do still have 4 weeks to go in this term and year. We will, therefore, be concentrating on ensuring the children remain focused on their learning. **"Celebrating our Learning" sessions are planned for Tuesday, 28th June; Wednesday, 29th June and Thursday, 30th June morning until 9.15am for your children to share their learning from this year.**

I would like to take this opportunity for your continued support and I hope you will join me in thanking the teachers and support staff for all of their hard work this year.

Yours sincerely
