Term 2 Issue 4

Friday 24th November

This Week at Wheatfield

There has been lots of activity around school this week. Class 1E led a fantastic assembly this morning in front of the whole school and their families. They spoke up clearly and shared their thoughts with confidence. A big well done to each and every one of them.

Phil Winterburn - Headteacher

Grounds Day Volunteers

A big thank you to the large group of volunteers who turned out to work on the school grounds last Saturday.

They made a great start on clearing the area around the allotment and ponds. We are lucky to be a school with such extensive grounds – the only downside is that it takes a lot of work to keep on top of the plant and weed growth!

Our volunteers are planning to meet up at least four times a year and have pencilled in February for their next gathering. If you would like to be part of future events, please let us know. We would also love to hear from anyone who could provide some regular time to help return the allotment to its former glory!

Young Mathematicians Award

Massive congratulations to the team of children from Year 6 who took part in the National Young Mathematician Awards a couple of weeks ago.

They have successfully made it through to the next round of the competition and will take part in the regional finals on Wednesday 29th November. We wish them lots of luck.

Year 6 Visit to Life Skills Centre

On Friday 17th November, Y6 participated in a spectacular school trip, held at Bristol's Lifeskills Centre. "It was realistic and probably the best trip we've been on," quoted Manjari and Honey. On the day, we learnt how to make emergency calls, how to get out of a burning house and much more. Rhea and Sophie stated, "We learnt fabulous skills for life in an unforgettable way!" Thank you to the Lifeskills Centre team for the all of the work that they do.

Report by Sophie, Honey, Manjari and Rhea

We learnt about the dangers of entering building sites by exploring the display above.

To find out more about the centre, visit:
<http://lifeskills-bristol.org.uk/>

Children in Need Total

Thank you to everyone who came out to support Children in Need last week. I am pleased to report that we will be sending a cheque for **£357.62** on behalf of Wheatfield Primary. This, combined with the efforts of many schools, nurseries and community groups will help to further bolster the £50 million raised on Children in Need night.

New Outdoor Notice Boards

You may have spotted the two new outdoor notice boards which have recently been installed. We now have four boards covering different areas of the school and will use these to display posters and messages (rather than sticking things up in windows). Please try to check these regularly. Thank you.

Key Stage 2 Concert

This year's KS2 Christmas performance will be based on the theme of 'What Christmas Means To Me'. It will be a concert of songs and music for you to enjoy. The dates of the concert are listed below.

Christmas Disco

The Friends will be holding a Christmas Disco on Wednesday 6th December. The times for each Key Stage are as follows:

Key Stage 1 (5.00 – 6.15pm)

Key Stage 2 (6.30 – 7.45pm)

Tickets are now on sale through School Gateway and are limited in number so we would advise you to book your tickets as soon as possible. The Friends will be joined by a number of staff so it should be a great event.

MS Christmas Fair

The MS Centre will be holding a Christmas Fair on Saturday 3rd December (11am – 3pm). Entry is free and there will be a range of stalls and activities including Santa's Grotto.

We are trying to build some strong links with the centre as our closest neighbours. The centre does some excellent work and, as a registered charity, relies one hundred percent on fundraising to stay open. I hope you might be able to turn out and support them.

This Week's Awards

Congratulations to the recipients of our Values and Achievosaur Awards.

	Values	Achievosaur
RM	Oscar	Lukemaan
1B	Ninoshka	John
2M	Jannat	Mia
