## Newsletter

**Term 6 Issue 4**

Thursday 28<sup>th</sup> June 2018

### This Week at Wheatfield

We have been building in shade breaks and cool down times for children during the hot weather this week. A hat, water bottle and generous layer of high factor sun cream (applied before school) remain essential throughout this mini-heatwave. Thank you.

Phil Winterburn - Headteacher

### Sports Days

Thank you to everyone who came out to support our sports days last week. We have had some highly positive feedback from families, children and staff about the two mornings. The aim was to have every child engaged in a sporting activity throughout the morning and include some individual competition whilst also representing a house team. We are really proud of how every child engaged with the event – encouraging others whilst also enjoying their own achievements. A big thank you to all the Shine coaches whose encouragement, positivity and excellent organisation made the event run seamlessly. Thank you also to Mr Woodworth who has been planning and liaising with Shine, behind the scenes, to make these mornings possible.

### Reading Book Return

Please have a good hunt for any school reading books which may be at home. We would like all books returned by **Monday 9<sup>th</sup> July** so that we can audit our reading stock in readiness for the new academic year. Many thanks.

### Festival of Youth Sport

On Saturday 16<sup>th</sup> June twelve children from KS1 went to the WISE campus to take part in the Festival of Youth Sport. The day began with an opening ceremony where each school represented a country - we were Bulgaria! We then went to take part in our multi-skills events. The children had 10 different events where they had to use the skills of aiming, balancing and throwing and catching. The children were FANTASTIC and made me very proud. They worked so well as a team and showed great PE skills. We managed to finish 4<sup>th</sup> out of 18!!

### Let's Ride Bristol

If you're looking for a fun, free and healthy day out then you might want to consider registering for this free event. There will be 5k of road closures around the city centre for this big bike bonanza!

### Henry V by Shakespeare

**Wed 11 July at 8pm: Bradley Stoke Library**

**Tickets: £8 / £5 concessions**

Bradley Stoke Library is proud to present a rapid re-telling of Shakespeare's sweeping historical drama. Created by Librarian Theatre as part of the Bristol Shakespeare Festival, the play has been adapted to be performed in the round by just two actors, with live backing from a musician. The show's direct story-telling style - and the brief running time (approx. one hour) - will make the performance extremely suitable for young people.

### Maths Planets

Some children have now completed their Maths Planet and have moved onto the moon levels and many more will be in the coming weeks. These levels have much fewer questions and are based on reasoning and problem solving. Overviews for each year group's moon can now be found on the website, along with some more information and example problems. Well done to those children who have already earned badges this year and we hope to hand out even more before the end of the year.

**Miss Garraway – Maths Leader**

### This Week's Awards

Congratulations to the recipients of our Values and Achievosaur Awards.

	<b>Values</b>	<b>Achievosaur</b>
<b>RM</b>	Hugo	Daisy
<b>1B</b>	Sarah	Muhaymin
