Term 2 Issue 5

Friday 6th December 2019

This Week at Wheatfield

Both key stages are busy rehearsing for their Christmas performances – they'll be adding the final bits of 'magic and shine' next week ahead of the performances in the final week of term. We hope that lots of you are able to attend – please check the calendar to see which date you are invited to.

Christmas Fayre

A big thank you to everyone who came out to support the Christmas Fayre last Friday – we were all blown away by the turnout. By the end of the evening almost every stall was sold out of goods and prizes! Your collective efforts and generosity look to have raised around £4.5k for the school which is a truly phenomenal effort – thank you.

A massive thank you to all the staff and governors who supported the event – we know how much the children love seeing you on the stalls – your attendance really does make it extra special for them.

A special thank you to The Friends for staging, once again, a high quality, engaging and magical event. The whole team worked so hard in the months leading up to the fayre – we are very lucky to have such a committed and driven Friends group.

Year 5 Church Visit

On Tuesday, Year 5 visited Christ the King church as part of their RE week, which was focused on why people visit places of worship. The children were really engaged and asked some cracking questions that really helped develop their understanding.

Reception's Tags

Reception children have created some striking tags for The Marmalade Trust. The Trust provide food parcels and hampers to the elderly and lonely at Christmas. We are sure the bright, personalised tags will put a smile on the face of anyone receiving one!

Wheatfield Plus News

Children attending Wheatfield Plus (breakfast and after school clubs) have been enjoying making models out of Lego – a great activity to promote creativity, concentration and problem-solving.

If you are interested in using the Wheatfield Plus service then we have more information about this on our website. Follow the link below to find out more:

Bring a Book, Take a Book

We are asking for donations of unwanted children's books which are in good, readable condition. These will be collected and, on the last day of term, children will be able to come and choose a book (for free) to take home with them – a kind of literary Christmas present from their community. We know that owning books is one of the best ways to become an avid and proficient reader. We hope you can support this.
