Term 5 Issue 4

Friday 14th May 2021

This Week at Wheatfield

This week I have been talking with some of the children (alongside Mr Woodworth and Mrs Marsden) about their learning in science. They have really impressed us with their scientific knowledge and vocabulary – it's a real privilege to work with children who are so motivated and enthused by learning.

Phil Winterburn - Headteacher

Please Walk or Ride to School

Next week is national 'Walk to School' week. To be honest, whilst it is great to have a week to 'shine a light' on this issue, our real aim is to encourage children (and families) to walk, cycle and scoot to school whenever they can.

At Wheatfield, we have a good take up of riders and walkers (as shown by the full bike and scooter racks this week).

If you are currently unable to ride or walk to school for whatever reason then maybe you could try parking a bit further away and walking or scooting the last section. Even if you can only do this once or twice a week, it will still make a difference to both the environment and your step count!

Allotment Update

Our new allotments are really taking shape. The six planters are now complete and the benches that will surround each planter are going in. Children in Reception, Year 1 and 5 are already growing sunflowers and pumpkins in readiness for the area's completion.

Wish to donate to this project?

With many of our normal fundraising activities having been stifled during the pandemic, we are inviting families to make a donation towards the cost of this project. This can be done via PayPal:

<https://paypal.me/pools/c/8yLbhfcqnI>

😊 Thank you for your support.

Great Days Out

With the lockdown continuing to ease, I thought it was a good time to remind you about the 'Great Days Out' page on our website:

<https://www.wheatfieldprimary.com/our-learning/great-days-out>

We've put together a collection of local places to visit which will support your child's local knowledge as well as supporting the school curriculum. Take a look and let us know if you have any suggested additions.

Pizza Night - Friday 18th June

Don't miss out on the School Pizza Event! An exciting and fun opportunity to 'create your own pizza' for a Friday night treat or a treat for dad on Father's Day!

Pizzas are only £6 each, they are great fun for all the family and are going to blow your socks off!

To order please do so via the Friends Money Pool link (below) by midnight on Friday 11th June for collection from school at pick up on Friday 18th June.

<https://paypal.me/pools/c/8yWnqs8myg>

Please include the following in the comments when paying:

- Order Name:
- Class:
- Number of Pizzas ordered (please specify if you wish to have the vegan option. If not specified we will assume regular pizza):

Happy cooking!!!

Thank you for your appreciation

The whole staff team wanted to say a big, big thank you for all of your support during 'teacher appreciation week'. The teachers were really touched by the thoughtful gifts and messages that turned up during the week. It's been a really tough year for everyone and the team have had to be incredibly adaptable during the lockdown period. Your praise and recognition really do mean a huge amount to them so thank you.

Happy Eid

We know that many of our children and families have been celebrating Eid. On behalf of the staff team and governing body we wish you all a Happy Eid and hope that next year we can again celebrate alongside you as we did in 2019.

School Values Award: **Choose Respect – Take Responsibility – Show Resilience – Be Kind**

	Our award goes to ...	
RC	Shambhavi	Clara
1C	Jack	Amber
