Term 5 Issue 2

Friday 6th May 2022

This Week at Wheatfield

Our year 6 pupils will be sitting their SATs (national tests) next week. This is the first time SATs have run since 2019 due to interruptions caused by the pandemic. If your child is taking part next week then a reminder they can join our free SATs breakfast club from 8.00am each day.

Year 6 Embroidery

This week, in Design & Technology, Year 6 have been continuing an embroidery project which they started last week. We have learnt and practised a variety of different stitches and each child has designed a patch to represent themselves as part of a whole class patchwork cushion cover. Now we are spending time stitching our designs onto our chosen fabric which takes a lot of focus and patience! We can't wait to see the finished product!

6G Camp Meeting

Children in 6G will be heading off on camp the week beginning Monday 20th June. There will be a meeting for families taking place on Monday 23rd May @ 3.45pm (in the school hall). The staff accompanying the children (Miss Garraway, Mrs Foote and Mr Woodworth) will explain more about the arrangements for camp and will also be available to answer any questions families may have. If you are unable to attend then please let Miss Garraway know. ☺ Thanks.

Grounds Day – tomorrow (10am – 1pm)

A final call for volunteers to help at tomorrow's Ground's Day. All family members welcome. Tools, gloves and refreshments provided.

☺ We hope to see lots of you there.

Allotment News

It is fantastic to see our allotments springing into life again. Those of you who were with us last year will remember that this area was completely re-built last summer. Since then Mrs Boyes has been working hard with children from across the school to tend to this area as the seasons change. Every child will have spent 3 sessions by the end of the year, as part of a small group, to work with Mrs Boyes on the allotments. This has allowed them to appreciate the cycle of planting, growth and harvesting that follows the changing seasons. A big thank you to Mrs Boyes for all her great work!

SAVE THE DATE!

Join us on the 16th
July for games, fun,
food and good times.

Platinum Jubilee

As you will be aware the Queen celebrates her Platinum Jubilee with events culminating over half-term with the Platinum

Jubilee Central Weekend (2nd – 5th June). In the final week of this term, the whole school will be taking part in some core events to mark this historic event. We have partnered with The Friends group to plan a selection of purposeful and age-appropriate events for the children. More information is coming next week!

Congratulations to Miss Garraway

As you all know, Mr Woodworth is leaving at the end of the year and Mrs Marsden has been appointed as our new Deputy Head. You also know that Mrs Marsden is taking leave at the end of this term to have a baby. We have therefore recently appointed Miss Garraway to take over as Acting Deputy Head from September. I know she will do an excellent job of keeping things in good order until Mrs Marsden's return.

Name Your Child's Uniform

A quick plea to put your child's name in all items of their uniform (even the older children). With the good weather setting in, children often remove jumpers or coats whilst out at play (and forget to bring them back in). It is so much easier for us to reunite lost items with children if they are named.

☺ This is also true for lunchboxes which are also often left in the hall! Thanks.
