Friday 15th July 2022

This Week at Wheatfield

As we end one of the hottest weeks in school of recent years, a big thank you to everyone who helped keep the children cool this week!

I'm looking forward to seeing lots of you tomorrow at Wheatfest!

Phil Winterburn - Headteacher

Peter Pan Leavers' Show

Our Year 6 children put on two fantastic performances of Peter Pan this week. Having not been able to hold a production since 2019, it was an emotional performance. The children wowed us with their sweet singing, amazing acting and great sense of togetherness. As they near the end of their time at Wheatfield it was lovely to see the group working so well as a team to create some special memories. A big thank you to all the staff for helping create some magical moments.

Eco Council

Eco-Council have had a busy and productive year – here are some of their reflections:

“My favourite eco-activity this year was when we made the paper and made a bookmark out of the paper.” (Izzie) “My favourite thing was making the hedgehogs out of plastic bottles and filling them with plants.” (Ethan) “My favourite thing in Eco Council was making the blue heart trail.” (Jamie)

Thank you to Mrs Jones, Mrs Brown & Mrs Boyes for their work with the Council this year.

Rhyme Rocket Visit

Last week, infant children were lucky to have a show from Cbeebies Rhyme Rocket. They performed their 'Ridiculous Rhyme' show for us. There were many laughs, lots of rhymes and some extremely excited children. It was brilliant to show children how fun rhyming can be. Thank you so much to Friends of Wheatfield for funding this.

Science Assembly

Key Stage 2 had a very exciting morning when Bristol University Chemistry Lab came to show them science in action through their 'Gases in the Air' assembly. There were some loud explosions and fascinating chemical reactions that took place! The children thoroughly enjoyed learning from the Professor and Doctor of Chemistry.

PE Uniform from September

We are sending home a letter tonight about expectations for PE uniform from September. Please take a look at this and speak with us if you have any questions. We are keen to tighten up what children wear on PE days and appreciate your support with this. ☺ Thanks.

Navy shorts, jogging bottoms or sports leggings

A T-shirt in their house colour – green, red, yellow or blue

A navy hoodie or sweatshirt for colder periods

Meet the Teacher – Wednesday 7th September

Years 1 to 6 only

We wanted to give you advance warning that we will be holding our 'meet the teacher' sessions in the first week of the new year.

The same information will be shared at two times: 4.00pm and 4.45pm (for families with more than one child in school).

Both teachers in a year team will present together to provide a consistent message about what to expect. It would be really helpful if you could make arrangements for childcare for these events. Unfortunately we are unable to provide crèche facilities due to all the meetings taking place at the same time.

Ten Sculpture

A polite reminder to families that the 'Ten Sculpture' at the front of the school is not designed to be climbed on. Please keep children off this at the end of the day for their own safety. The surface does get quite slippery. ☺

Take part in the Bradley Stoke Scarecrow Trail this summer!

School Values Award: Choose Respect – Take Responsibility – Show Resilience – Be Kind

This term's value is 'resilience'. This week's theme is 'moving on and saying goodbye'.

This week's challenge is to 'say thank you to anyone who has helped you this year'.

	Our award goes to ...	
RC		
1H	Imran	Bodhi
