This Year at Wheatfield

And so ends another year! The heatwave was unexpected and added its own challenges but, as always, the staff team and children (supported by yourselves) navigated their way through. A big thank you to the Year 4 team (and parent volunteers) who ensured that the group didn't miss out on their visit to Caerleon on Monday.

The last newsletter is always a time to say thanks to those who have supported the school over the past year. So a massive thank you to ...

The staff team – we are so lucky to have such a willing, fun-loving and skilled staff team who go 'above and beyond' for the children. If you haven't seen them grooving to Rick Astley yet then head over to YouTube now!

The children – every day they amaze us with their desire to learn and their ability to look out for one another. They are inquisitive, funny, determined and resilient – what more could we ask?

The Friends – Wheatfest was a shining example of their ambitions for the school, the children and the wider community. What a talented bunch they are!

Our class reps – once again, they have kept you connected, informed and updated – a big thank you to each of them for the time they invest in this.

Our governing body – the school governors continue to do sterling work (sometimes out of sight) to ensure the school is the very best it can be for every child who attends.

Our families – we appreciate all your support and positive engagement. The staff have really appreciated the gifts and uplifting messages they have received this week.

A final thank you (and goodbye) to Mr Woodworth who completes his final day as Deputy Head today. Since I joined Wheatfield five years ago, Jamie has been a source of endless support and inspiration to so many people. He has championed the role of sport and competition in every child's education and created many opportunities for children to access sporting provision that may otherwise have been closed to them. Our loss is Shine's gain and I have no doubt that Mr W will turn up on our door again at some point (possibly to run a sports day or lead an event). When he does, our door will be wide open to welcome him.

Wishing you all a restful, safe and peaceful summer.

Goodbye Year 6

Our Year 6 children have wowed and amazed us with their singing and acting talents of late. They have also shown themselves to be brilliant, bold and bigger than life over the course of the year. We will really miss each and everyone one of them. So it's goodbye and good luck to ...

Beatrice Mable Marsden

Congratulations to Mrs Marsden and her husband, Joe, who welcomed baby Beatrice into the world on July 1st. We're looking forward to a visit very soon!

Goodbye Mrs Wills

Mrs Wills (who works as a higher level teaching assistant) has decided that the time has come for a change and so is moving on from Wheatfield. She has worked closely with many children over the years, helping them develop their speech, language and communication skills (among other things). On behalf of the whole staff, I wish Mrs Wills all the very best as she begins a new chapter of her life. I would also like to thank her for all that she has done for the children during her time at Wheatfield.

Wheatfest

To our volunteers, sponsors, and everyone who came to Wheatfest this year - you helped to raise a brilliant

THANK YOU!

Thank you from the Friends and thank you to the Friends for a wonderful Wheatfest. We can only describe the event as a triumph for all involved. After two years where holding such an event would have been impossible (if not illegal) then the fact that everything came together so perfectly was simply the best!

Thank you to everyone who supported or volunteered (including so many of our staff team) and thank you to The Friends for staging a world class event right here in Bradley Stoke!
