Term 2

Issue 1

4/11/22

This Week at Wheatfield

I hope you all had a fantastic half-term break and feel rested and relaxed ahead of the new term. We have a huge amount planned for Term 2 – many items are signposted in today's newsletter so do try to add these dates and events to your calendars.

3M River Visit

This week 3M went on a visit to learn about rivers as part of our geography curriculum. We had a great day exploring the River Trym from the upper course to the lower course. We noticed many river features such as meanders, waterfalls and plunge pools. The children were all brilliant and had a fantastic time especially when we were able to get into the river to test river flow. Thank you to all the adult helpers who came with us.

Anti-Bullying Week Poster Competition

Anti-bullying week is being marked the week beginning Monday 14th November. Children are invited to wear 'odd socks' on the Monday to show how we are all different and unique.

We are also running a 'poster design' competition which opens today. Children are invited to design a bright and engaging poster around one of the three themes below:

1. Kindness is a super power
2. Always use kind hands, kind feet and kind words
3. Look out for those who are left out (make sure everyone is included)

Please see the attached flier for more details.

Look at Learning

Thursday 17th & Friday 18th November

(8.45 – 9.15)

We are pleased to be able to re-start our 'look at learning' events after two years of interruptions. On the above days, you are invited to come into the school building with your child and look through some of the work they have completed so far this year. The focus for our first event is writing. Please note – you only need to attend on one day – we have two dates to enable as many people as possible to take part.

The Friends and school are teaming up for this year's Children in Need, encouraging children to - 'Do a Good Deed for Children in Need'. In return for being allowed to wear their Pudsey merchandise (ears, T-shirts, wrist bands or home made stuff) to school, children are being asked to 'earn' their own donation by doing a simple (and age-appropriate) job around the home. Please see the attached flier for more details – we hope that children will enjoy 'taking responsibility' and see the power their effort can have to help others. 😊

A big thank you to everyone who donated to this year's Harvest Collection – we have received the certificate below from the North Bristol Food Bank.
