This Week at Wheatfield

Monday morning saw us arrive to a flood in the lobby (a burst water tank which had leaked away happily over the weekend). Shortly after (and completely unrelated) we lost the gas supply to the kitchen (update overleaf). As we problem solved our way through all of this, Ofsted called informing us that our inspection would start the next day! Like buses, these things come in threes!

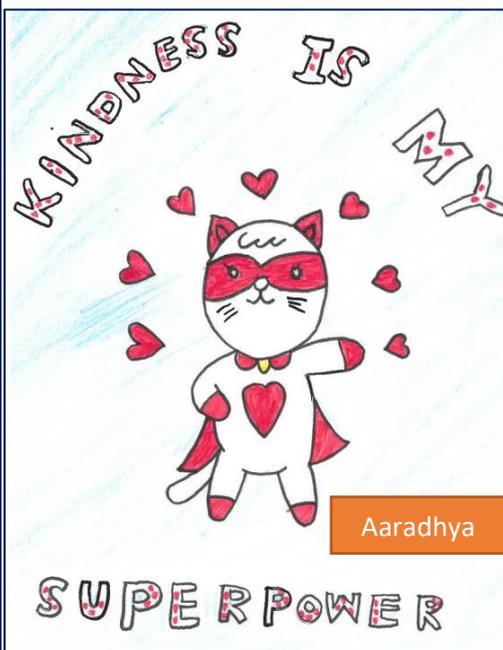

Needless to say, Team Wheatfield rolled up their sleeves, put their best foot forwards and engaged with the inspection in the positive, optimistic and professional way we have come to expect. I am really proud of how the whole staff team (and all of the children) responded to the inspection, and am grateful to those families who took time to complete the parent survey. The report will be published in due course and shared with all families. We can't say anything about the outcomes until the official publication date so for now we remain tight lipped!

Have a lovely (long) weekend.

Anti-Bullying Week Poster Competition

Thank you to all those children who entered our Anti-Bullying Week poster week competition. It's clear that all our entrants gave a great deal of thought to the three themes we presented them with and found some creative ways to represent these. Our original intention was to have one winner per year group (and a bonus prize) but, as we didn't have entries from some year groups, we were able to select additional children from others. Congratulations to: Ehsan (RC), Sadie (1M), Andreaa (2B), Lizzie & Hasan (2J), Einar (3BD), Aaradhya (3M), Max (4R) and Ishaan (6W).

Aaradhya

Ishaan

Hasan

Here are a small selection of winning entries. Our plan is to display a selection of winning and other entries, across the school, over the coming weeks. This will help support our key messages about looking out for others and ensuring we treat one another with kindness and respect.

DO A GOOD DEED FOR CHILDREN IN NEED

FRIDAY 18TH NOVEMBER

Thanks to everyone who 'did a good deed for Children in Need' – you raised an impressive £404.13! We hope you feel good, not only about the amount you raised together, but also about the fact that it was your own hard work and effort that got you there! And remember, you can do 'good deeds' without raising money and still feel the same sense of satisfaction and achievement!

Year 6 Class Assembly

Year 6 invite their families to join them for a class assembly on Friday 2nd December @ 9.15am. The children will be sharing a selection of work and learning from across the term. This includes work from their history topic about World War II and changes in the 20th Century. They are looking forward to this and hope that as many families as possible are able to join them.

Hot Meals

Thank you for your patience and understanding this week around the loss of our gas supply to the kitchen. The component which has failed may take up to a week to arrive and be installed as it is not a straightforward job.

We are working closely with our catering provider (abm) to find a temporary solution which will allow some hot food to be served (alongside sandwich options). Obviously, this is not an ideal situation but we want to reassure you it is the best we can do in the circumstances. We will keep you informed about this so look out for further messages via School Gateway. ☺

Christmas Post

Our Christmas post box will be open from Monday 5th December. Children can send cards to friends across the school. All they need to do is write the recipient's NAME and CLASS clearly on the envelope.

School Values Award: **Choose Respect – Take Responsibility – Show Resilience – Be Kind**
