

# Wheatfield Primary School Newsletter

*Inspired to Achieve*

*Choose Respect • Take Responsibility • Show Resilience • Be Kind*

**Term 4**

**Issue 5**

**22/03/24**

**This Week at Wheatfield** - Thank you to all of the year 6 parents and children who attended the SATs information session on Tuesday this week. Next week, we will share learning from our STEM week last week and also celebrate any sporting and out of school achievements. Please remind your child that they can bring any out of school awards or certificates to school to share in Celebration assembly on a Friday morning. **Mrs Carver**

## **This week's learning comes from Year 5 and Year 6**

### **Year 5**

This week in Year 5, our learning journey has been filled with creativity and exploration. Inspired by our class book, "Clockwork," we've delved into the realm of scary games on Purple Mash, letting our imaginations run wild as we designed thrilling experiences. Each click and keystroke brought our eerie visions to life, igniting our passion for storytelling and digital creation. Additionally, we've ventured into the realm of organisation and literacy, utilising the new digital library system to scan our books in and out with ease. This hands-on experience not only fosters responsibility but also opens doors to endless worlds waiting to be discovered within the pages of literature.

### **Year 6**

During science week, Year 6 were lucky enough to welcome a visitor from Air Bus, who shared her journey into her career and expertise knowledge of the Aviation Industry. This was an inspirational opportunity for the children and reminded them 'The World is their oyster!'. They particularly enjoyed making the Airbus Beluga and A350 aircrafts out of paper.

### Parents' Evening

We are looking forward to welcoming you all for parents' evening next week. Just a reminder that we are asking you, wherever possible, to arrange child care for your child during this event. We will be running a crèche but would prefer it if you only use this facility if you have no alternative. This will help to keep the numbers manageable.

### Some reminders about attendance

**Being late for school:** Being late regularly can have a negative impact on your child's achievement. Learning starts as soon as our doors open. Please be on-site by 8.45am every day to get your child off to the best start.

**Register procedures:** The school is open from 8.45am each morning. Registers are taken at 8.55am and registration closes at 9.00am. Children arriving after 9.00am must enter the school through the main doors and sign in at the school office. Children arriving after 9.00am (but before 9.15am) will be marked as late (an L code on the register). Children arriving after 9.15am will receive an unauthorised absence code.

**Leave of Absence Requests:** All requests for leave of absence during term time must be made on the 'Application for Leave of Absence' form available on the school website or from the school office not less than one week before the date for which leave of absence is requested. The school will decide whether each request will be authorised or unauthorised in line with this policy. The school strongly discourages families from taking children out of school during term time (even if it is not for a holiday)

**School Values Award:** *Choose Respect – Take Responsibility – Show Resilience – Be Kind*

This term's value is 'Kindness'

Our award goes to ...			Our award goes to ...
